

**Tails N Trails Park Enthusiasts Planning Meeting  
September 14, 2019**

**Attendees:** Jen Gray, Rebecca Gray, Amy Palik, Mark Palik, Donna Prange, Pete Revelle, and Linda Sanger

The attendees met at the proposed temporary park area and discussed the recently held Airport Commission meeting. After discussion, it became obvious that a formalized group be created to represent the dog park patrons in a unified voice. This group will be essential as we work towards the end goal of a permanent dog park for Wisconsin Rapids.

Tails N Trails (TNT) Facebook page will be used as the means in organizing this group. So far, the following people are interested in working together:

- Drew Frisk
- Jen Gray
- Rebecca Gray
- Amy Palik
- Mark Palik
- Pete Revelle
- Jamie Rokus
- Linda Sanger
- Donna Smrz
- Tammy Stiltanen
- Katie Zagorianakos

A post will be added to the TNT Facebook page to ask for other volunteers. Volunteers for this initial group have until Saturday, September 21 to add their name to the group.

A meeting will be scheduled shortly the 21<sup>st</sup> to continue with formation of the member roles,
